

Amoral Tuttle Public Library

Strategic Plan FY2021-FY2023

Goals-

1. Obtain our new facility and find the best development plans to fulfill our needs and wants for an advanced facility.
 - a. Design strategic, appealing and resourceful spaces for the adult, teen, children and media rooms.
2. Increase and advance technological improvements to meet the needs of patrons and library staff.
 - a. Obtain Internet service with increased speed, capability and reliability.
 - b. Increase the number of computer terminals available to patrons.
 - c. Add training courses for the staff.
3. Increase visibility through community involvement.
 - a. Create marketing materials to increase visibility of library services.
 - b. Obtain an outdoor sign for the new facility.
 - c. Present at the schools and churches about our new facility and what we have to offer.
 - d. Help support our new Friends of the Library group.
 - e. Create a teen and tweens group to provide input on what they would like to see developed in the library.
4. With growth and development, advocate for more hours and additional staff.
